

'What's Legal and Safe'

FAA Ramp Checks are a reality today. Inspector Michael Arraiz will discuss what you should expect as aircraft owner before you purchase an airplane and before every flight. Learn what documentation must be on board the aircraft at all times. An actual aircraft will be used for this demonstration so you can view it first-hand.

Don't miss this opportunity to learn what will keep you safe and legal!

Directions: From HWY 1 Exit on Airport Blvd and head North on Airport Blvd. Make a left Turn on Aviation Way (0.7Mi from HWY 1) and destination will be on the airport side.
